

CATAURO

Producer: Rioja Project by Miravinos

D.O.: Rioja

Vintage: 2009

This premium and unique wine is a result of a limited production based in select plots of the heartland of Rioja Alta. A careful selection of Tempranillo vines was used for this red wine where expressivity does not compete with finesse.

Color: Red

Varieties: 85% Tempranillo, 15% Graciano

Maturation Process: Fermented in small concrete tanks

Aging Time: 18 months in French oak barrels

Alcohol %: 13.9

TASTING NOTE

Rich in subtle hints of spices and tobacco leaves which give way, little by little, to aromas of berries and red fruit jam. Elegant, characterized by its gritty tannins, a long finish and smooth aftertaste.

FOOD PAIRING

Pasta and noodles, Rice, Roast meats
